34. [C - Conventional] I enjoy working with numbers, spreadsheets or financial data.
35. [C - Conventional] I like planning and scheduling tasks carefully.
36. [C - Conventional] I prefer accuracy and attention to detail over creativity.

Section 2 - True / False Questions

Answer True or False for each statement.

101. [R - Realistic] I would rather build a bookshelf than read a book about how to build one.
102. [R - Realistic] I feel most satisfied when I can see a physical result of my work.
103. [R - Realistic] I prefer working with my hands over working at a desk.
104. [R - Realistic] I enjoy activities like cooking, gardening, sport or DIY projects.
105. [R - Realistic] I find it easier to learn by doing rather than by reading or listening.
106. [R - Realistic] I am comfortable working with machinery or technical equipment.
107. [I - Investigative] I often find myself wondering how or why things work the way they do.
108. [I - Investigative] I enjoy reading or watching content about science, history or technology.
109. [I - Investigative] I prefer to research a topic deeply before forming an opinion.
110. [I - Investigative] I enjoy maths, logic puzzles or strategy games.
111. [I - Investigative] I like working independently on complex problems.
112. [I - Investigative] I find it satisfying to discover a new fact or insight.
113. [A - Artistic] I often see the world differently from most people around me.
114. [A - Artistic] I enjoy activities like drawing, photography, music or creative writing.
115. [A - Artistic] I prefer to express my ideas in my own unique way rather than follow a template.
116. [A - Artistic] I feel restricted when I have to follow very strict rules or formats.
117. [A - Artistic] I notice beauty, design or creativity in everyday things.
118. [A - Artistic] I enjoy imagining new possibilities or "what if" scenarios.
119. [S - Social] People often come to me when they need advice or support.
120. [S - Social] I feel fulfilled when I help someone overcome a challenge.
121. [S - Social] I enjoy working in environments where I interact with many different people.
122. [S - Social] I am a good listener and people feel comfortable talking to me.
123. [S - Social] I care deeply about fairness and the wellbeing of others.
124. [S - Social] I would find it rewarding to work in education, healthcare or social services.
125. [E - Enterprising] I enjoy being in charge and making decisions for a group.
126. [E - Enterprising] I am comfortable speaking in front of a crowd.
127. [E - Enterprising] I like the idea of starting my own business one day.
128. [E - Enterprising] I enjoy debating and defending my point of view.
129. [E - Enterprising] I am motivated by recognition, status or financial success.
130. [E - Enterprising] I find it easy to motivate and inspire other people.
131. [C - Conventional] I like having a clear plan before starting any task.
132. [C - Conventional] I keep my workspace, notes or belongings well organised.
133. [C - Conventional] I prefer tasks that have a clear right or wrong answer.
134. [C - Conventional] I enjoy working with budgets, schedules or data.
135. [C - Conventional] I feel uncomfortable when things are disorganised or unclear.
136. [C - Conventional] I take pride in being accurate and thorough in everything I do.

Section 3 - Multiple Choice Questions

Choose the single option that best describes you. Each option maps to a RIASEC category.

201. Your school asks you to lead a project. Which role would you most enjoy?

- [R - Realistic] Building or constructing the physical display or model
- [I - Investigative] Researching the topic and analysing the data
- [A - Artistic] Designing the visuals, layout and creative presentation
- [S - Social] Coordinating the team and making sure everyone is supported
- [E - Enterprising] Leading the group, presenting and pitching the final result
- [C - Conventional] Managing the schedule, budget and keeping everything organised

202. You have a free Saturday with no plans. What are you most likely to do?

- [R - Realistic] Fix something around the house, go hiking or do a sport
- [I - Investigative] Watch a documentary, read or explore a topic that interests you
- [A - Artistic] Draw, write, make music, take photos or create something
- [S - Social] Spend time with friends or family, or help someone who needs it
- [E - Enterprising] Work on a side project, plan something new or network
- [C - Conventional] Organise your room, plan your week or sort out your finances

203. Which of these work environments sounds most appealing to you?

- [R - Realistic] Outdoors, a workshop, lab or somewhere physical and active
- [I - Investigative] A quiet research environment, library or tech lab
- [A - Artistic] A creative studio, design agency or open, flexible space
- [S - Social] A school, hospital, community centre or people-focused setting
- [E - Enterprising] A fast-paced office, boardroom or entrepreneurial environment
- [C - Conventional] A structured office with clear processes and organised systems

204. A friend is struggling with a big decision. What do you naturally do?

- [R - Realistic] Help them take practical action - do something about it
- [I - Investigative] Research the options and present them with facts and analysis
- [A - Artistic] Help them think creatively and explore unexpected possibilities
- [S - Social] Listen carefully, offer emotional support and encouragement
- [E - Enterprising] Take charge, give clear advice and help them make a decision
- [C - Conventional] Help them create a structured plan with steps and timelines

205. Which subject or activity do you find most engaging at school?

- [R - Realistic] Technology, Engineering, Agriculture or Physical Education
- [I - Investigative] Mathematics, Science, Geography or Computer Science
- [A - Artistic] Art, Drama, Music, Design or Creative Writing
- [S - Social] Life Orientation, History, Languages or Community Service
- [E - Enterprising] Business Studies, Economics or Debate and Leadership activities
- [C - Conventional] Accounting, Mathematics or any subject with clear rules and structure

206. In 10 years, which of these futures excites you most?

- [R - Realistic] Working as an engineer, technician, farmer or in a skilled trade
- [I - Investigative] Working as a scientist, researcher, doctor or data analyst
- [A - Artistic] Working as a designer, artist, writer, filmmaker or architect
- [S - Social] Working as a teacher, counsellor, nurse or social worker
- [E - Enterprising] Running my own business or leading a team in a corporate environment
- [C - Conventional] Working as an accountant, financial analyst, auditor or administrator
